

BECOME A DIGITAL NAVIGATOR!

Join the Digital Navigator Pilot Project

A Tri-County Cradle to Career Collaborative initiative in collaboration with Palmetto Goodwill and the Lowcountry Digital Equity Coalition

We are seeking community focused individuals to train as Digital Navigators and make a meaningful impact in underserved rural communities across Berkeley (Cross, SC), Charleston (Hollywood, SC), and Dorchester (Saint George, SC) Counties.

Digital Navigators serve as trusted guides to help community members:

- Adopt the internet
- Use computing devices
- Access affordable internet
- Acquire devices
- Develop technical skills
- Receive application support

Seeking representation from organizations and individuals from the following:

- Libraries
- K-12 Schools
- Social Service Agencies
- Community Volunteers

Digital Navigators will receive a \$1,000 stipend and mileage reimbursement.

Help us empower your community and bridge the digital divide by becoming a Digital Navigator. If you or your organization are interested in joining our first cohort, please contact Shawn McTeer, Program Manager by June 7th. Welcome events to be held June 11th, 12th, and 13th. Apply now and make a difference!
